

# Insurance & Bonding

## General Liability Insurance

North Shore Environmental Construction maintains general, professional, and pollution liability coverage in the amount of \$1,000,000.00 per occurrence, with an additional \$4,000,000 umbrella excess liability for automobile, general, professional and pollution (see attached sample certificate of insurance).

## Bonding

North Shore Environmental Construction is pre-qualified by Gulf States Surety Company for Bid, Payment and Performance bonds in the amount of \$3,000,000 or higher limits are available on a per project basis. North Shore has never failed to successfully complete a bonded project requiring a payment and performance bond in the company's 17 year history.

## Automobile Insurance

North Shore Environmental maintains insurance for company owned, rented and hired vehicles in the amount of \$1,000,000 per occurrence, with additional \$4,000,000.00 umbrella coverage.

## Workers Compensation Insurance

North Shore Environmental Construction maintains Worker's Compensation Insurance as required by law and Wisconsin Statutes plus 10,000,000 umbrella.

## Subcontractors & Waste Disposal Facilities:

North Shore Environmental Construction requires Certificates of Insurance naming North Shore Environmental Construction as additional Insured without subrogation rights from all subcontractors. North Shore Environmental Construction does not assume the status of a generator or the operator of a storage treatment or disposal facility as those terms appear within the Resource Conservation and Recovery Act, 42 USCA, Section 6901, et. seq., as amended from time to time, (hereinafter "RCRA") or within any state statute governing the treatment, storage and disposal of waste. All waste disposals for final destination are determined by the client. North Shore Environmental Construction requires indemnification and Certificates of Insurance naming North Shore Environmental Construction as additional insured from all waste disposal facilities.
